

Parent and Child Programs

Have fun, spend quality time and play golf with your children at the Windham Country Club. Parents, aunts, and uncles accompanying a child between the ages of 10 and 18 will receive a reduced package price when sharing a room or condominium.

This is such a great way for children to learn the fundamentals of golfing techniques, etiquette, the rules of golf and golf course management. The Golf Professionals are selected not only on their knowledge of the game but also for their patience and communication skills. A tournament with all classes competing in a scramble format is always a success. All the golf you can play coupled with great instruction, outstanding accommodations at the Winwood Inn and the Hotel Vienna and choose from an excellent selection of restaurants. What vacation could be better?
